

Exercise 1 - Send yourself a Direct Message

Exercise 2 - Create a simple Concierge assistant

The screenshot shows the AI-Ambassador Dashboard. The left sidebar contains navigation links: Dashboard, Simulator, Messages Log, Reports & Analytics, Direct Message, Broadcast Message, Audience / Attendees, Surveys, Meetings, Campaigns, and Template Management. The main content area is titled "Dashboard" and "EventureX - Overview of your AI assistants". It features a section for "AI Assistants" with filters for All, Active, and Archived, and buttons for Clear Memory and Create New Assistant. The "TechEvent Assistant" card is highlighted, showing it is active, has a phone number +1 (980) 980-1435, is located in Las Vegas, NV, USA, and has an agendaFile.js... file. It also displays statistics: 1 Attendee and 12 Total Messages. Recent activity shows 12 messages in the last hour, 12 in the last 24 hours, and 12 in the last 7 days. The card was created by Ivy Jamero on Jun 10, 2026 at 09:08 PM.

Exercise 3 - Import an audience

The screenshot shows the AI-Ambassador Audience / Attendees page. The left sidebar is the same as in the previous screenshot. The main content area is titled "Audience" and "Groups". It features a search bar, a "Create New Audience" button, and a "Refreshing..." status. Below the search bar, there are tabs for LinkedIn, Instagram, Activity, TikTok, and Soon. A progress bar shows 1 to search, 0 to enrich, 0 complete, and Action needed. The view is set to Table. The table has columns: Assistant, Name, Phone, LI Status, Company, and Category. The table contains one row for the TechEvent Assistant, with Name Rorse Vien, Phone +639673887298, LI Status Q New, Company —, and Category —.

Assistant	Name	Phone	LI Status	Company	Category
☐	TechEvent Assistant	Rorse Vien	+639673887298	Q New	—
